Every day we cannot forget at what price we were saved. We cannot object to sacrifice; human defeat is not an objection either; rather they are the roots of the Resurrection, the possibility of a true life.
The Event which continues to show itself here and now is above all a fact, a fact that cannot be reduced to anything else.

“Being Christian is not the result of an ethical choice or a lofty idea, but the encounter with an Event, a Person, which gives life a new horizon and a decisive direction.”

Pope Benedict XVI
